Aim for Advocacy

DATE November 4, 2023

LOCATION Spring Valley Rod and Gun Club

Get ready to Aim for Advocacy as we form teams for a fun and traditional clay shooting competition. This annual Fall event, chaired in 2023 by longtime CFAC supporters Bobby and Margie Martin, encourages individuals and businesses to form teams in a healthy competition to empower our agency to walk alongside those impacted by trauma and provide the resources necessary for them to heal.

Sponsors for this event will be directly impacting our acute and restorative programming here at the Children & Family Advocacy Center.
