

WELCOME, 2023

CHILDREN'S ADVOCACY CENTER
OF BENTON COUNTY

WE HAVE BIG PLANS COMING YOUR WAY

New Year. New Services. Same Goal.

Eliminating child abuse and empowering children to find their voice has always been at the root of the work we do at the Children's Advocacy Center of Benton County. As of January 1, 2023, we will be expanding our programming to best serve children and families in our community. This is made possible by our merge with Restoration Village, a long-term women and children's shelter.

Restoration Village has offered women in crisis safe shelter, food, and transportation for over 30 years. Programming includes advocacy, counseling, and community outreach.

Many of these services are already offered at the CAC and we look forward to growing from this new opportunity.

Our vision is too big to carry alone: we need support from people like YOU!

The best way to learn about all that we do is to schedule a tour: a member of our leadership team will guide you through our main campus where you'll learn about our direct services including counseling, advocacy, medical, mental health, and now residential assistance.

If you believe in our vision as strongly as we do, we encourage you to take action and **GET INVOLVED**. Call us at (479) 621-0385, or scan here:

Sponsor Highlight

Thank you to **First National Bank** for your continued support to our organization and the community as a whole. In the last half of 2022, FNB provided food and beverage for our sponsor reception, supported our In It to End It wine pull, and hosted their annual Tree of Hope on behalf of our organization. We are grateful for their support in the community!
